

FACULTY MENTORING INSTITUTE

Kenneth Ballou, M.D.

kenneth.ballou@medsch.ucr.edu

Health Sciences Clinical Professor in Family Medicine

Specialty: Family Medicine

Mentoring: Teaching Skills, Professional Competence

Brandon Brown, Ph.D.

brandon.brown@ucr.edu

Professor in Social Medicine and Population & Public Health

Research interest: Community-based participatory research on HIV and aging, medical ethics

Mentoring: Academic Career

Monica Carson, Ph.D.

monica.carson@medsch.ucr.edu

Professor in Biomedical Sciences and Chair for Division of Biomedical Sciences

S. Sue Johnson Presidential Endowed Chair

Research interest: Neuroimmunology, Glial-Neuronal Interactions Neurodevelopmental disorders and Neurodegenerative disease

Mentoring: Teaching skills, Professional Competence/Research Leadership Skills, Academic Career

Djurdjica, Coss, Ph.D.
djurdjica.coss@ucr.edu

Professor in Biomedical Sciences

Research interest: Neuroendocrinology, Endocrinology and Reproductive Physiology

Mentoring: Teaching skills, Professional Competence/Research, Academic Career

Kendrick Davis, Ph.D.

kendrick.davis@medsch.ucr.edu

Health Sciences Associate Clinical Professor in Psychiatry and Neurosciences

Associate Dean of Assessment and Evaluation

Research interest: Measurement (including use of emoji to measure health and mental health) and data science, quality improvement research, and geospatial information systems (GIS) for health.

Mentoring: Teaching skills, Professional Competence/Research Leadership Skills, Academic Career

Marc Debay, MD, MPH, PhD

marc.debay@medsch.ucr.edu

Health Sciences Clinical Professor in Family Medicine

Specialty: Primary Care

Mentoring: Teaching Skills, Professional Competence, Leadership Skills, Academic Career

Iryna Ethell, PhD

iryna.ethell@medsch.ucr.edu

Professor in Biomedical Sciences and Associate Dean of Academic Affairs

Research interest: Cellular and Molecular Neuroscience with a focus on neurodevelopment

Mentoring: Teaching Skills, Professional Competence/Research, Leadership Skills, Academic Career

Carl Feinstein, M.D.

carl.feinstein@ucr.edu

Health Sciences Clinical Professor in Psychiatry and Neurosciences

Specialty: Child & Adolescent Psychiatry

Mentoring: Teaching Skills, Professional Competence, Leadership Skills, Academic Career

Christopher Fichtner, M.D.

christopher.fichtner@medsch.ucr.edu

Health Sciences Clinical Professor in Psychiatry and Neurosciences

Specialty: Psychiatry

Mentoring: Teaching Skills, Professional Competence, Leadership Skills, Academic Career

David Franklin, Psy.D.

david.franklin@medsch.ucr.edu

Health Sciences Clinical Professor in Psychiatry and Neurosciences

Specialty: Neuropsychologist

Mentoring: Teaching Skills, Professional Competence

Adam Godzik, Ph.D.

adam.godzik@ucr.edu

Professor in Biomedical Sciences, Bruce D & Nancy B Varner Endowed Chair

Research interests: Bioinformatics, Computational Biology, Data Analysis; Structural Biology, Innate Immunity, Metagenomics, Cancer.

Mentoring: Professional Competence/Research, Grant Applications

Peter Hauser, M.D.

Peter.Hauser2@va.gov

Health Sciences Clinical Professor in Psychiatry and Neurosciences
Practice at the Long Beach VA Medical Center

Mentoring: focus on funding opportunities in the VA and Tele-mental health

Asma Jafri, M.D., F.A.A.F.P., M.A.C.M.

asma.jafri2@ucr.edu

Health Sciences Clinical Professor and Chair for Family Medicine

Specialty: Family Medicine

Mentoring: Teaching Skills, Professional Competence

Marcus Kaul, Ph.D.

marcus.kaul@medsch.ucr.edu

Professor in Biomedical Sciences and Chair of Faculty Executive Committee

Research interest: HIV-associated neurodegeneration, neural plasticity and host-pathogen interactions

Mentoring: Teaching skills, Professional Competence/Research, Academic Career

David Lo, Ph.D.

David.Lo@medsch.ucr.edu

Professor in Biomedical Sciences and Senior Associate Dean for Research

Research interest: Mucosal Immune Surveillance, Vaccine Health Disparities, Environmental Exposures and Asthma

Mentoring: Teaching skills, Research Leadership Skills, Academic Career

Declan McCole, Ph.D.

declan.mccole@ucr.edu

Professor in Biomedical Sciences

Research interest: Intestinal barrier function in human disease, Inflammatory Bowel Disease, Mucosal Immune Responses, Gut Microbiome

Mentoring: Teaching skills, Research, Leadership Skills, Academic Career

Afshin Molkara, M.D., F.A.C.S

afshin.molkara@ucr.edu

Health Sciences Clinical Professor in Surgery

Specialty: Surgery, vascular and endovascular surgery

Mentoring: Academic Career, Leadership and Professional Growth

Elizabeth Morrison-Banks, M.D., M.S.Ed.

elizabeth.morrison-banks@medsch.ucr.edu

Professor of Clinical X in the Department of Psychiatry and Neurosciences

Associate Dean of Medical Education Quality and Integration

Specialty: Neurology, Multiple Sclerosis and Neuroimmunology

Mentoring: Teaching Skills, Professional Competence, Leadership Skills, Academic Career

Meera Nair, Ph.D.

meera.nair@ucr.edu

Associate Professor in Biomedical Sciences

Research Interest: Mucosal immunity and inflammation to helminths; immunology, helminth-host interactions

Mentoring: Teaching Skills, Professional Competence/Research, Academic Career

Maurizio Pellecchia, Ph.D.
maurizio.pellecchia@ucr.edu

Professor in Biomedical Sciences, Director for the Center for Molecular and Translational Medicine
Daniel Hays Endowed Chair in Cancer Research

Research interest: Drug Discovery, Cancer therapeutics, Neuroprotection, Protein-protein interactions in disease, Chemical Biology

Mentoring: Teaching skills, Professional Competence/Research Leadership Skills, Academic Career

Mario Sims, Ph.D., MS, FAHA
mario.sims@medsch.ucr.edu

Professor in Social Medicine and Population & Public Health

Research Interest: Social and psychosocial determinants of cardiovascular disease; social epidemiology

Mentoring: Research, Academic Career, Teaching skills

Seema Tiwari-Woodruff
seema.tiwari-woodruff@ucr.edu

Professor in Biomedical Sciences, Director of PhD Program in Biomedical Sciences

Research interest: Neurodegeneration, Inflammation, Neural Repair, Multiple Sclerosis, Remyelination

Mentoring: Teaching skills, Research, Leadership Skills, Academic Career

Rosemary Tyrrell, Ed.D.
rosemary.tyrrell@medsch.ucr.edu

Health Sciences Assistant Clinical Professor in Social Medicine and Population & Public Health
Director of the Office of Faculty Development for UCR, School of Medicine

Specialty: Faculty professional development in higher education

Mentoring: Teaching skills, Leadership Skills, Curriculum management and design

Emma Wilson, Ph.D.
emma.wilson@ucr.edu

Professor in Biomedical Sciences

Research interest: Immunology, Parasitology, Neuroscience

Mentoring: Teaching skills, Professional Competence/Research Leadership Skills, Academic Career

Mark Wolfson, Ph.D.
mark.wolfson@medsch.ucr.edu

Professor and Department Chair for the Department of Social Medicine, Population & Public Health
William R. Johnson Jr. and S. Sue Johnson Endowed Chair

Research Interest: Preventive and Public health; Substance Use and Addiction

Mentoring: Teaching Skills, Professional Competence/Research, Leadership Skills, Academic Career

Changcheng Zhou, Ph.D.
changcheng.zhou@ucr.edu

Professor in Biomedical Sciences

Research interest: Atherosclerosis and Metabolic Disorders

Mentoring: Teaching skills, Professional Competence/Research
